

Dr Bernhard Wolfslehner

Dr Bernhard Wolfslehner has a PhD and Masters' degree in forest sciences from the University of Natural Resources and Life Sciences (BOKU), Vienna. Since 2021 he is Team Leader of the EFI Forest Europe Team, where he is strongly engaged in scientific guidance, coordination and communication of the

pan-European forest policy process.

Dr Bernhard Wolfslehner expertise and field of interest includes forest policy and governance, sustainable forest management, criteria and indicators, non-timber forest products and services, and multi-criteria decision support. Previously, he has been the Coordinator of EFI's Forest Policy Research Network, Head of EFI's former Regional Office EFICEEC-EFISEE, and senior researcher at the University of Natural Resources and Applied Life Sciences, Vienna.

Dr Bernhard Wolfslehner has been appointed as Head of the Governance Programme at the European Forest Institute, and started his 5-year term on 1 January 2022.
